Question 1: If elected, would you vote against an abortion

ban? Yes No

A woman's right to choose what's best for her body medically should be left up to that woman and the doctor. I oppose any ban on abortion and women's health care.

Question 2: If elected, would you vote against restrictions on contraception and in vitro fertilization (IVF)?

Yes No

Please write any comments you might have in the box provided below.

As I stated above, what's best for a woman should be left up to that woman. Women who suffer from infertility have every right to explore options to conceive and build a family. We are in an age where technology makes the impossible possible medically and otherwise. Its only right that as we progress, so should our quality of healthcare and what's available for us.

Question 3: Do you pledge to accept the results of the election, no matter who wins?

Yes No

Please write any comments you might have in the box provided below.

Absolutely. When the people speak, I listen and honor it.

Question 4: Do you support the legalization, regulation, and taxation of marijuana for recreational use by adults 21 and over in Wisconsin?

Yes No

Legalizing recreational marijuana boosts the economy by creating new tax revenue and jobs. Legalizing recreational marijuana also results in helpful regulation of a safe drug, without increasing potential negative consequences.

Question 5: Do you oppose government entities banning books from local libraries and schools due to content, ideas, or viewpoints expressed in the books?

Yes No

Yes. Banning books due to peoples personal agendas, ideologies or biases is not conducive to the progress of our nation or our children's future and well being overall.

Question 6: Would you vote to protect same-sex marriage in Wisconsin, no matter what is decided at the federal level?

Yes No

Please write any comments you might have in the box provided below.

A person has the right to Love whoever they choose. I oppose any changes to that.
