Question 1: If elected, would you vote against an abortion ban?

Yes No

Please write any comments you might have in the box provided below.

I am in favor of Women's reproductive freedom without government interference

Question 2: If elected, would you vote against restrictions on contraception and in vitro fertilization (IVF)?

Yes No

Please write any comments you might have in the box provided below.

Government should not be involved in these issues at all other than to make sure the products are safe and reliable

Question 3: Do you pledge to accept the results of the election, no matter who wins?

Yes No

Please write any comments you might have in the box provided below.

We will have a fair election and the results speak for themselves

Question 4: Do you support the legalization, regulation, and taxation of marijuana for recreational use by adults 21 and over in Wisconsin?

Yes No

Please write any comments you might have in the box provided below.

While personally against this I feel it is much better regulated and taxed to make sure it is safe. I would be against it for under 21 as the research has shown it can affect younger brains in a negative manner

Question 5: Do you oppose government entities banning books from local libraries and schools due to content, ideas, or viewpoints expressed in the books?

Yes No

Please write any comments you might have in the box provided below.

This is just best handled by those professionals in the schools and libraries. We need broad viewpoints known so that people are able to learn from them.

Question 6: Would you vote to protect same-sex marriage in Wisconsin, no matter what is decided at the federal level?

Yes No

Please write any comments you might have in the box provided below.

Who you love should be no one's business but yours.
