**Question 1:** If elected, would you vote against an abortion ban?

Yes  No

Please write any comments you might have in the box provided below.

I believe this is a question that needs to be made between the doctor and the woman.  
This is a medical issue not a political one!

**Question 2:** If elected, would you vote against restrictions on contraception and in vitro fertilization (IVF)?

Yes       No

Please write any comments you might have in the box provided below.

As with question #1, this is a medical issue.

**Question 3:** Do you pledge to accept the results of the election, no matter who wins?

Yes       No

Please write any comments you might have in the box provided below.

It seems strange that some will unconditionally accept a win but not if they loose. I have worked a poll worker and trust our process.

**Question 4:** Do you support the legalization, regulation, and taxation of marijuana for recreational use by adults 21 and over in Wisconsin?

Yes       No

Please write any comments you might have in the box provided below.

The same rules that apply to alcohol should be enforced.

**Question 5:** Do you oppose government entities banning books from local libraries and schools due to content, ideas, or viewpoints expressed in the books?

Yes       No

Please write any comments you might have in the box provided below.

This is a very dangerous concept. Remember Germany in the lead up to war.

**Question 6:** Would you vote to protect same-sex marriage in Wisconsin, no matter what is decided at the federal level?

Yes       No

Please write any comments you might have in the box provided below.

Marriage is a legal contract between two people that provides many rights and obligations. I see no reason that two people who love each other shouldn't be married.
